Newsletter #05 – Version 09/16/2022

HAPPY FALL TENNIS

“Make your fall resolution to actively engage to preserve and improve CH public tennis courts and facilities. Be more than just a player.”

Welcome to the latest newsletter from chapelhilltennis.org. The newsletter is being sent to those who have signed up at the website and others who have been active in the tennis community discussions.

There are three topics and on purpose have been kept short.

1. Parks, Greenways and Rec Commission board meets Tuesday, Sept 20, 2022 @ 7pm. The agenda can be viewed at [<Agenda>](#). Topics include Parks & Recs recommendation for a proposal reducing tennis playing time and opportunities by assigning time for dedicated Pickleball use on two of the tennis courts. We encourage you to attend this virtual meeting using the link found at [<Join>](#).
2. Thank you, thank you, and thank you! We had over 140 tennis players complete the survey regarding CH public tennis court usage and sharing. The results of the survey may be viewed [<Here>](#).
3. Stay informed. Do not take for granted that the town will continue to support public tennis in Chapel Hill. For evidence, just look how maintenance on the public tennis courts has been neglected over the decades. There are already “too few CH public playable tennis courts”, courts used by our youth, students, families and local community.

To learn more, a good place to start would be to read the viewpoints posted at [<Viewpoints>](#). Your comments are always welcome and encouraged.
