USE IT OR LOSE IT!

Welcome to the latest newsletter from chapelhilltennis.org. The newsletter is being sent to those who have signed up at the website and others who have been active in the tennis community discussions.

Come back to Ephesus tennis.

Come celebrate. Grand re-opening is Saturday, Nov 19, 2022.

Through dedication of a group of CH public tennis friends and with support of CH Parks & Rec, the Ephesus tennis courts have been newly resurfaced and lined only for tennis.

New nets are on order and burned out light bulbs will be replaced soon. Benches are already available for each court.

Previous Ephesus tennis players left to play elsewhere due to the deteriorating conditions of the courts. Now is the time for players to return to play at Ephesus to show their support for the improvements.

Plans for renovating Cedar Falls and Hargraves public tennis courts are in the works. Extensive efforts are on-going to acquire the funding for these renovations. To make a case for funding, it is important to have evidence of demand demonstrated by increased tennis usage when courts are improved.

As usage increases, please consider playing time limits when other players are waiting.

It's your choice, Use it or lose it!
