Registration for Lessons, Community Day, Junior Tennis, and Adult Ladder- Now Open

CH Tennis friends,

With our encouragement, CH Parks and Rec has scheduled public tennis lessons and playing opportunities at Ephesus and Hargraves for this spring (Mar - May).

Go to this CH Parks and Rec link to view and sign up: [CH Spring Tennis Schedule & Registration](#). Don't wait because classes are expected to fill up.

Included are youth and adult lessons, tennis community day, junior tennis and adult tennis ladder. Here is a summary of the offerings available at the above link:

- Youth Beginner Tennis Lessons - 6 sessions (Mar - Apr)
- Community Tennis Day - hosted by DOCTA (Apr 6)
- Youth Intermediate Tennis Lessons - 2 sessions (May)
- National Junior Tennis & Learning Group Lessons - hosted by DOCTA (Apr)
- Adult Beginner & Intermediate Tennis Lessons - 4 sessions (Mar & May)
- Adult Tennis Ladder League (Apr - May)

The adult tennis ladder is where players will compete in a 2-set match switching partners at each set. Come out and enjoy a laid back semi-competitive league and meet new tennis players. This league is for beginner and advanced beginner level players (2.5 - 3.0). This could be a fun way for you to get some good, fun weekly competition in! Bring a friend!

Many of you have expressed interest in CH community tennis events and now is time to show support by registering for these programs and coming out to the public courts.
